Downloading Audiobooks & eBooks through Georgia Download Destination

Download audiobooks and/or ebooks:

Through our website

- www.ohoopeelibrary.org.
    1) Under *Services, I want to…* click on *Download an eBook / Audiobook*
    2) Click on GADD Logo or *Georgia Download Destination Catalog*

OR

Go directly to the Georgia Download Destination website:

- www.gadd.lib.overdrive.com

To download books you will need:

1) A valid PINES library card from a participating library and a PIN/Password.
   If you have forgotten yours or need a new one, please ask at the circulation desk
2) Your device
   Kindle, Nook, Tablet, Smart Phone, mp3 Player, any audio player or eReader device
3) Access to the internet
   You are always welcome to use the Library's Internet and Wireless Services

To Begin:

1) Sign into your account
   *Upper right-hand corner of the GADD website, you will see *Sign In* or you can click on *Account* located near the search bar.
2) Select your library region
   *Ohoopee Regional Library System
3) Enter your library card number.
   *Should begin with a 21041 and is located on your library card
4) Enter your PIN/password.

First time users:
Click on the *Help* button and then *Overdrive Help* for device-specific "How-To" information, or call/visit the Library for assistance.

Searching for Titles:

1) Click on *Menu* and select genres from either the eBook list or the Audiobook list *or*
2) Select *Advanced Search or*
3) Search by title or keyword in the *Search Box.*
4) Click on the book title and follow the directions to check the book out to your device or to place a hold if the book is unavailable.

Need help? Appointments for one-on-one assistance are available; contact Matthew Stembridge for more information: 912-537-9283 or stembridgem@ohoopeelibrary.org.
